## Anti-Bullying

In Greater St. Albert Catholic Schools, our priority is the safety of all students, staff, and visitors in our care. Our team is committed to working in partnership with parents to ensure a safe environment. Every concern is important, but how do we know if it is bullying? Check out the graphic below to determine the differences.

### Working Together to Report Bullying:

To address bullying concerns effectively, we offer a trusting environment and safe space for all students and parents to feel comfortable bringing up concerns. Anonymous reports make it challenging to address the issue in a meaningful and productive way.

- **Report bullying incidents ASAP!**
  - Addressing issues as they occur will provide the best result for everyone involved
  - Immediate reporting will prevent issues from worsening over time and allow both parents and staff to be able to act quickly and minimize future incidents
- **Report bullying incidents to the staff member with the closest relationship to your child.** Principals will always be notified
