David Keohane, Superintendent, is pleased to announce that Trustee Noreen Radford will serve as this year's Board Chair and Trustee Serena Shaw will assume the role as Vice-Chair. Trustee Radford, Board Chair commented "It's a privilege to be elected as Chair during an exciting time for our District as we celebrate 150 years of Catholic Education recognizing the pioneering spirit of the Grey-Nuns and faith-based education in this province. As a new Chair I'm blessed to be working with a dedicated group of trustees who are passionate about Catholic Education and an outstanding staff in Greater St. Albert Catholic Schools who ensure that our students receive the best possible education."

To advance the boards work on its advocacy plan, the Board is excited to launch its 150th anniversary plans this fall. The board will also be active in further supporting the launch of our Foundation that will serve to provide a legacy for future generations. In addition we look forward to expanding our public engagement opportunities in our school communities by introducing technology to make it convenient for our public to participate.
