Specialized School Programs

We recognize that each child is unique in their learning. In addition to traditional school programs, we also provide specialized education programs that are listed below.

PRE-KINDERGARTEN

Greater St. Albert Catholic Schools has five Pre-kindergarten programs. They provide early intervention to young children in inclusive learning environments. Programs are located in St. Albert, Morinville and Legal. The programs offer integrated, structured, individualized half-day classes for children aged 2 1/2 years (if student qualifies for Alberta Education’s PUF funding) to 4 1/2 years. The emphasis is on learning through play in a language and literacy-rich environment.

KINDERGARTEN

FULL-DAY, HALF-DAY AND PROGRESSIVE OPTIONS

Starting kindergarten is a big step for you and your child. We want this important first step toward a Catholic education to be a memorable experience for your family. Greater St. Albert Schools offer a range of kindergarten programs to meet the varying needs of families in our communities. This includes

half-day options, full-day options that run the entire week or programs that are full-day where children attend on alternating days.

Our programs also include English and French immersion options that are Christ-centered. We nurture the physical, emotional, intellectual, social, and spiritual needs of your child. Play, exploration, and learning about Jesus are part of the program. Our approach in all of our kindergarten classrooms is to provide a learning environment that balances a focus on discovery and play with teacher instruction to develop your child as a confident learner going into grade one.

\* Full-day and Progressive program hours vary and fees apply.

SPORTS ACADEMY 4 TO 12\*

HOCKEY – SOCCER – PERFORMING ARTS

Athletics, Academics, Advantage! The Greater St. Albert Sports Academy is based on the philosophy that students can learn through

sport to maintain or improve academic standing and improve sports skills at the same time. The Academy currently offers any grade 4 to 9 boy or girl who has a desire to commit to the program, an outstanding opportunity to receive specialized skill and fitness training in hockey, soccer or performing arts, as well as an enhanced physical education program. Students have an option for French Immersion instruction as well.

\* Hockey academy currently available in high school.

AP/PRE-AP—ADVANCED PLACEMENT 7 TO 12

Advanced Placement (AP) is an internationally-acceleration and challenge to motivated and gifted students as it prepares them for the transition from high school to university. AP is designed to give students the experience of as intro-level college class while still in high school. Credit for college/university is given upon course completion. AP Examinations,

Morinville & Legal schools on reverse.

which students take in May, are graded on a 5-point scale (5 is the highest). Some of the nation’s colleges and universities award credit, advanced placement, or both for grades of 3 or higher. The AP Examinations consist of multiple-choice and free-response (essay or problem-solving) questions.

INTERNATIONAL BACCALAUREATE 7 TO 12

The International Baccalaureate Programme (IB) is a rigorous pre-university course of study leading to examinations that meet the needs of highly motivated academic students. Students preparing to enter the Pre-IB Programme should have high marks in Grade 9 (minimum 80% average). At the junior high level the IB program is not exclusive to high academics. It is an enriched program that is folded into the curriculum and allows for differentiated instruction. Please contact both our IB schools for more information.

FRENCH IMMERSION PROGRAMS K TO 12

Greater St. Albert Catholic Schools prides itself on its French Immersion programs, offering one of the largest single track programs in Alberta. Many parents and students consider knowledge of more than one language a valuable investment in the future. Our region is filled with families whose French grandparents and great grandparents settled the region in the early part of this century and the latter part of the previous century. This is evident in the many town and street names that pay tribute to them.

Approximately 1,600 of our students are enrolled in this program. French Immersion students have the option of two different program structures. Morinville schools offer dual-track French immersion where parallel English and French Immersion classes are taught. Several schools in St. Albert offer a single-track approach which features an environment dedicated entirely to French Immersion.

UNIVERSITY COURSE OPTIONS

Greater St. Albert Catholic Schools has partnered with MacEwan University to deliver university-level business courses to qualified students at our three senior high schools. Students partaking in the program will earn both high school and university credits at the same time allowing them to finish high school and get a head start on university.

Morinville Community High School in partnership with Norquest College offers a first year English course allowing students to obtain credits towards a college/university education and gain experience with the demands of a college level course.

Visit [gsacrd.ab.ca](http://gsacrd.ab.ca) for more information on our schools.
