

2025 Trustee Election

St. Albert Catholic Schools

Raymonde Roulston
Ward 2

Faith, Experience, and A Voice for Our Students

Recently retired, I am excited to submit my name to represent Ward 2 and serve the families and students within the Towns of Morinville, Legal, Bon Accord and the portion of Sturgeon County north of Highway 37.

Over the past three decades, I have been privileged to serve in nearly every role in education: teacher, vice principal, principal, division principal, and most recently as Director of Early Childhood Education and Learning Support Services for Greater St. Albert Catholic Schools. Each role has deepened my belief in the power of Catholic education to shape not only minds, but hearts, and communities. It has been a rewarding journey!

Having lived in Legal for over 50 years, I understand the vital role schools play as the heart of our rural communities. My experience as both a former student and a parent at Legal School, along with two terms as a Town of Legal Councillor, has given me valuable insight into the priorities and needs of rural communities, as well as meaningful governance and leadership experience. I am committed and well-prepared to advocate for the unique needs of our families, students, and schools in Morinville, Legal, Bon Accord and Sturgeon County. I also recognize the remarkable strengths and dynamics of Greater St. Albert Catholic Schools' rural-urban configuration and I am committed to ensuring equitable representation and support for all the communities it serves.

As trustee, I will champion inclusive, faith-filled learning environments that honor our Catholic values, support the diversity of our students, represent the perspectives of parents and empower staff to thrive. I believe strong Catholic schools are built on collaboration, faith, and strategic leadership—and I am ready to offer this and so much more in service to our division. I am committed to bringing an experienced and informed perspective to the table—alongside a deep commitment to serving families, students, and staff with integrity, transparency, and love.
