

# 2025 Trustee Election

**St. Albert Catholic Schools**

**Lydia Yeomans**

**Ward 1**

It has been an honour and privilege to serve our division and electorate as a trustee for the last four years. It has given me the opportunity to passionately advocate for funding and resources that our schools and families need for high quality educational opportunities. I have learned so much in the past four years and I am excited to continue my learning and progress for another term.

I have decided to seek re-election as a Catholic School Board Trustee because I take seriously the responsibility to ensure that our GSACRD families have the choice of a high-quality Catholic education for their children. Faith formation of our students and our staff is of utmost importance and it is my goal to help provide the resources necessary to action this all while maintaining incredibly high levels of success in all areas.

Building relationship with stakeholders is a strength for me and I thrive on engagement with families, parish, teachers, students, staff, elected officials and the electorate.

I have been able to use my experience, skills, and passion to help our division continue to move in a positive direction. Our division is filled with extremely passionate and skilled people who are all working hard to provide our students opportunities to reach their potential.

It is with much pride that I have been able to call myself Catholic School Trustee for the last four years and it is with humility that I seek the opportunity to do so for another four years.
