

THREE-YEAR EDUCATION PLAN

Background

The District is required by Alberta Learning to prepare an education plan that focuses on student learning over a three-year period. Plans are updated annually so that, as one year is completed and another is added, the plan continues in a three-year time frame.

Procedures

1. System Planning Guidelines

- 1.1 The vision and mission of the District will provide overall direction for system planning.
- 1.2 The planning process will recognize any corporate priorities identified by the Board.
- 1.3 The actions and endeavors of Greater St. Albert Roman Catholic School District and its schools must be guided by sound planning processes. The planning process must provide ample opportunity for input and meaningful involvement by persons from stakeholder groups. "Formal" processes for the system and its schools to develop, revise and extend Three-Year Education Plans that identify priorities, along with predetermined courses of action, outcomes, measures, strategies and timelines for task completion will be developed each year.
