

FEDERAL AND PROVINCIAL LEGISLATION

Background

The Board has delegated the authority to develop Administrative Procedures as listed in Board Policy 11.

Procedures

1. The Superintendent will present to the Board any new provincial, regional or local initiatives to determine the level of delegation and decision-making authority with respect to the new legislation.
2. The Superintendent will develop Administrative Procedures in order to fulfill Board obligations created by any new provincial, regional or local initiatives other than the *School Act*.
